MEMORANDUM FOR: Director, Foreign Broadcast Information Service

THROUGH: Chief, Operations Group

SUBJECT: Monthly Report -- Hong Kong Bureau -- June 1983

I. GENERAL

[ ] Progress -- The lease agreement on [ ] building was signed on 22 June. The consulate will have floors 10-14 with FBIS occupying the 13th and 14th floors. The top seven floors have been taken by the building's management company. Rough floor plans have been drawn up and a security survey of the new premises has been completed. An architect design firm will be chosen soon so plans for interior construction can go ahead.

STAT

When It Rains -- On 17 June Hong Kong suffered its worst torrential rains in almost 20 years. The storm caused deaths, flooding and landslides throughout the colony and made most dayshift employees hours late for work. Because of the scarcity of public transportation the consulate closed at 1230 local time to allow employees plenty of time to get home. All PRC provincial radios were inaudible for part of the day and Okinawa had to be called on to provide backstop assistance. By late afternoon the storm had abated and evening shift employees were able to get to work without too much difficulty.

IV. COMMUNITY AFFAIRS

Never Say Die -- This year's consulate ladies dragon boat team again reached the finals of the annual dragon boat races held at Stanley main beach. Ably assisted by [ ] the ladies team placed fourth in the finals. The men's team unaided by FBIS, was rammed in the first heat, causing the helmsman to lose his oar. Bereft of their steering mechanism, the men then rammed the neighboring boat, propelling that helmsman into Stanley Bay and severing their own boat's dragon head. Rapidly recovering their dragon head from the water, the consulate men raced to a furious third in the heat, thus qualifying for the Plate competition which they went on to win hands down. The two teams were later feted with a barbecue at the Hong Kong Cricket Club by their sponsor Deak-Perera.
